

Assessor Awards

Who Are The Assessor Awards For?

The two assessor awards are designed to meet the differing needs of people who assess competence.

If they plan to assess learners using a variety of different assessment methods then A1 is the award most suitable.

Alternatively, if they intend to assess learners through observation in the workplace then we recommend A2.

How Do I Achieve An Assessor Award?

Like all N / SVQs, this qualification is competence based. This means that it is linked to the candidate's ability to competently perform a range of tasks connected with their work. Candidates plan a programme of development and assessment with their assessor and compile a portfolio of evidence to prove that they are competent and knowledgeable in their work role.
