

Occupational Health And Safety Level 5

Who Is This Level 5 NVQs For?

Occupational Health and Safety Practice at Level 5 is suitable for those individuals who have strategic management responsibility for the health and safety function in their workplace.

How Do I Achieve An NVQ?

Like all NVQs, this qualification is competence based. This means that it is linked to the candidate's ability to competently perform a range of tasks connected with their work. Candidates plan a programme of development and assessment with their assessor and compile a portfolio of evidence to prove that they are competent and knowledgeable in their work role.

What Units Do I Have To Complete?

Level 5

In order to achieve a full Level 5 qualification, candidates must complete 12 units of competence, including 9 mandatory units and 3 optional units.
